 File No. 96-1411

PLEASE NOTE: The structures as shown on this plot plan are approximate only. An actual survey is necessary for a precise determination of the building location and encroachments, if any exist, either way across property lines. This plan must not be used for recording purposes or for use in preparing deed descriptions and must not be used for variance or building plan purposes. This plan must not be used to locate property lines. Verification of building locations, property line dimensions, fences or lot configuration can only be accomplished by an accurate instrument survey which may reflect different information than what is shown hereon. Please note that this is "NOT A BOUNDARY SURVEY" and is "FOR MORTGAGE PURPOSES ONLY".
